FRONT OF HOUSE AND BAR SUPPORT

Friendly, dependable professional with customer-facing experience at Trader Joe's, Whole Foods, and Uber. Oleum customer interested in joining the front-of-house team and learning bar service. Enjoys cocktails and welcoming conversation; punctual, comfortable with physically active work, and ready to learn restaurant procedures from the ground up.

RELEVANT EXPERIENCE

Crew Member | Trader Joe's

October 2024 - March 2025

Customer-facing grocery retail experience in a team-based store environment. Within 3 weeks of start the store received a positive Google Maps review citing me by name.

Prepared Foods Team Member | Whole Foods Market

April 2025

Experience working on a prepared-foods team in a grocery setting.

Independent Contractor | Uber

January 2023 - September 2024

Provided over 4000 rides to passengers with varied needs and destinations, combining independent work with direct customer interaction.

ADDITIONAL PROFESSIONAL EXPERIENCE

Software Engineer | CyberMaxx

May 2025 - October 2026

Worked on an eight-person engineering team delivering software for internal staff and customers. Learned complex systems, incorporated feedback, and collaborated on regular releases.

Senior Technical Support Specialist and Faculty Computing Support Lead | Kellogg School of Management

July 2015 - January 2020

Supported 300 faculty across six campuses, helping people resolve technical problems and navigate unfamiliar systems.

WHAT I BRING TO OLEUM

Warm guest interaction • Punctuality • Teamwork • Attention to detail
Comfort with active work • Ability to learn ordering and payment systems
Interest in cocktails and spirit-free drinks • Willingness to train in bar support
